You've probably heard the words "Live out your faith" dozens, if not hundreds, of times, but what does that phrase really mean? And how do you really follow Jesus in today's world?

In this student adaptation of his book *Thrive, Casting Crowns'* Mark Hall explores exactly what it means when your faith and your life collide, and how you can take the next steps in making that faith real and evident to those around you. Using relatable stories, applications you can use, as well as some life lessons, Hall shows how you can root yourself in the truth and grow strong in your beliefs as you become the person God designed you to be.
