Wicked Woods Steve Vernon

A new collection of ghost stories from every corner of New Brunswick.

Pull up a seat and listen closely-storyteller Steve Vernon has another collection of classic, bone-chilling tales to tell. Steve takes readers from one end of New Brunswick to the other, unearthing dark tales of strange happenings along the way-from the headless ghost that haunts those who pass through Johnville's covered bridge, to the spirit of a murdered man that guards long-buried treasure at Wolf Point. Drawing on both documented stories and legends passed on by word-of-mouth, Steve sets one spooky scene after another with a storyteller's attention to every creepy detail, and just a touch of wry humour. It's as though you're sitting beside him at the campfire, getting goosebumps as each story unfolds.
