Difesa psichica (Italian Edition) Dion Fortune

Esistono persone capaci di convogliare, attraverso le arti dell'occultismo, correnti negative? E possibile essere sottoposti ad «attacchi psichici» di cui ignoriamo la fonte?

Dion Fortune, celebre sensitiva americana morta nel 1946, risponde di sì a tutti questi interrogativi; e fornisce ai suoi lettori una sorta di manuale pratico per difendersi da simili influenze maligne. Dopo aver delineato le caratteristiche tipiche dell'attacco psichico, l'autrice ci indica come interpretarle, badando a non confonderle con quelli che possono essere stati alterati di coscienza, provocati magari dall'uso di droghe allucinogene; e ci insegna i possibili metodi di difesa.

Magia nera, vampirismo, malvage proiezioni eteriche: questi gli affascinanti argomenti di cui trattano le sue pagine. Leggendole, scopriremo che forse la realtà non è quel quadro idilliaco, monotono, in cui molti si crogiolano; che il Male esiste e agisce costantemente fra noi, condizionando in maniera decisiva la nostra esistenza; e che, al tempo stesso, le forze del Bene possono trionfare grazie al sostegno dei sentieri occulti.
