## **Eye of the Moon** Dianne Hofmeyr

Isikara and her father tend the sacred crocodiles and assist at mummifications of both humans and animals. One day, they are ordered to a tomb. Two bodies are waiting for them--Queen Tiy and her eldest son, Tuthmosis. Tuthmosis has been poisoned but is clinging to life. With no time to spare, Isikara rescues the young prince and runs away with him. The pair find themselves on a journey across Egypt, searching for allies who will help Tuthmosis regain his throne. Their travels lead them along the Nile, across the desert, and through bustling market towns. All the while they must avoid their pursuers, the High Priests who wish to silence them. But there are dangers in the desert and all around. Who can they trust? And where will their adventure lead them?

In this gripping tale, published for the first time in the U.S., author Dianne Hofmeyr spins a web of intrigue, mystery and adventure, woven throughout with fascinating historical details about Ancient Egypt.
