For many, retirement has become increasingly difficult to both attain and afford. But there is a way today's 401(k) participant, as well as those contributing to similar retirement savings plans, can turn their retirement dreams into reality.

With over twenty-five years of experience consulting on retirement plans, author Richard Schmitt knows what it takes to make the most of them, and now, in 401(k) Day Trading: The Art of Cashing in on a Shaky Market in Minutes a Day, he shows you how.

Divided into four comprehensive parts, this reliable resource takes you step-by-step through the environment, rationale, and process of day trading your retirement portfolio in minutes a day. It skillfully outlines an approach to buying low and selling high through daily fund exchanges--that draws on many of the fundamental principles of investment management--to exploit daily market volatility.
