## **Bloody Hill: The Civil War Battle of Wilson's Creek** William Riley Brooksher

When young Federal Brigadier Nathaniel S. Lyon launched a surprise attack against pro-Confederacy militia in Missouri, the ensuing battle, which cost him his life, became the bloodiest fought in North America to that time. The Federal forces retreated, leaving South-Western Missouri to the Confederates. Although Wilson's Creek was a tactical victory for the South, Lyon's daring initiatives kept Missouri from joining the South early in the war. This is an account of the first major battle West of the Mississippi, at the place known forever as "Bloody Hill". William Riley Brooksher is the co-author of "Glory at a Gallop: Tales of the Confederate Cavalry".
