Native American Family Life (Native American Life)

Colleen Williams

Native American Family Life (Native American Life) Colleen Williams

To an outsider, Native American family life may seem simple. In reality, the societies within Native American tribes are incredibly rich and complex. Nor is family life the same from tribe to tribe. Some tribes are organized into clans; others trace their lineage according to matrilineal lines. This book discusses some of the familial arrangements of various tribes, including the reasons for such arrangements as well as the roles individuals played in their respective societies.
