Ben Mitchell

Only the Sound Itself (Codhill Press) Ben Mitchell

Poetry that reminds us to think about the experiences that made us who we are.

Only the Sound Itself reminds us to think about the experiences that made us who we are. This poetry acts as a wake-up call to make us realize how hectic and crazy our lives have become. The theme of nature throughout the collection allows one to see the peace and serenity that used to exist and how the simplicity of life is lost as we take on responsibilities, fall in love, and eventually grow into adulthood.

Ben Mitchell is a poet who lives in Vermont and teaches poetry there. This is his first book.
