Gotta Have It Lori Wilde

“Cool, calm and collected” is how Abby Archer always thought of herself—on a down day she might even have used the word *repressed*. Well, not anymore. Not since her fiancé ran off with an exotic dancer. Now it's Abby's turn to try “wild and wicked.” But that will take a very special kind of guy, like the one she turned on—and *turned down*—ten years ago. When she fantasizes, he's still the ultimate bad boy who comes to mind and, luckily, her best friend knows exactly where he is....

Durango Creed has been marking time, guiding tourists through the desert until his former teen angel arrives in Sedona, and suddenly he's a rebel obsessed with a cause. He's got an itinerary in mind that will rock Abby's tidy little world—and her first stop is a one-on-one sexual encounter with him!
