Kipling and War: From 'Tommy' to 'My Boy Jack'

Rudyard Kipling

Kipling and War: From 'Tommy' to 'My Boy Jack' Rudyard Kipling

Although Rudyard Kipling never fought, he was one of Britain's foremost observers of and commentators on war. Through his writing on the harsh realities of life as a private and accounts of feats of courage and comradeship during the frontier wars in India, 19th century British campaigns in Sudan, the Boer Wars and the First World War, he became the poet of the common soldier. Although he wrote propaganda for the government in the Boer and First World Wars, Kipling was also acerbic in his criticism of military incompetence, deeply compassionate towards the victims of war and despairing of the senseless bloodshed that he witnessed. Through his writing, the voices of countless soldiers and the guns of many battles echo through the years and place Kipling firmly among the leading practitioners of 19th and 20th century war literature.
