What is MO?

The purpose of *MO!* is to help people get and stay motivated but with a very unique twist. See most people think that motivation for them is *out of reach*. They have an average job at an average company. This book is intended to give people hope by shining the light on people who *are* in average regular jobs but do amazing work and have fun doing it.

In the book we offer inspiring profiles of Service Advisors, Hot Dog vendors, Airline Gate Agents, Seafood MarketOwners, Construction workers, Seamstresses, Fitness Trainers, and Taxi drivers who all have the magic *MO!* qualities. They are all normal people who work every day but their work isn't normal. At the end of each profile we provide a summation of the 3-4 special qualities that they have and our suggestions on how to incorporate it into the readers life and how they can get more MO!
