After the strange events of *My Nasty Neighbours*, David and his family have moved from the city to the country — much to his disgust!

David says: I'm telling you, nothing is worse than living in the country. And I should know. You think when people say 'the back of beyond' it's just a joke, but it's really a warning: Don't live here if you want to have a life!

The problem is, parents just don't listen. So here we are, the Stirling family, stuck in the wilds. No one is happy — plus, I'm pretty sure all country people are crazy.

Could things get any worse?
