The Last Rendezvous Anne Plantagenet

“Women are not supposed to write; yet I write.” –Marceline Desbordes-Valmore

In 1817, at the late age of thirty-three, Marceline Desbordes, the actress and Romantic poet—the only woman counted by Paul Verlaine among his *poètes maudits*, or “accursed poets,” a group that included Victor Hugo, Charles Baudelaire, and Alfred de Vigny—marries Prosper Valmore, a fellow actor who brings love and stability to her tumultuous life. Such stability is short-lived, however: When she meets Henri de Latouche, an influential man of letters, they soon begin a passionate affair. Although their tryst does not last more than a year, their relationship survives through letters and memory. It sparks inspiration in Marceline’s work and leads her to create some of the most beautiful poetry in French literature. A talented poet, a romantic woman, a passionate lover, a nurturing mother, and a child at heart, Marceline Desbordes-Valmore is rescued from obscurity through Plantagenet’s dazzling writing in this fictionalized biography. The book will include a selection of Desbordes-Valmore’s poems in the original French and in an English translation by the Pulitzer Prize—winning poet Louis Simpson.

From reader reviews:

Jan Dixon:

What do you think about book? It is just for students as they are still students or this for all people in the world, the particular best subject for that? Just simply you can be answered for that problem above. Every person has several personality and hobby for every single other. Don't to be compelled someone or something that they don't would like do that. You must know how great as well as important the book The Last Rendezvous. All type of book would you see on many methods. You can look for the internet solutions or other social media.

Angela Latham:

Nowadays reading books become more than want or need but also be a life style. This reading addiction give you lot of advantages. Associate programs you got of course the knowledge even the information inside the book that will improve your knowledge and information. The details you get based on what kind of book you read, if you want drive more knowledge just go with training books but if you want sense happy read one using theme for entertaining for example comic or novel. Typically the The Last Rendezvous is kind of book which is giving the reader erratic experience.

Annie Fowler:

Information is provisions for individuals to get better life, information these days can get by anyone with everywhere. The information can be a information or any news even restricted. What people must be consider whenever those information which is inside former life are difficult to be find than now is taking seriously which one is appropriate to believe or which one the resource are convinced. If you have the unstable resource then you have it as your main information it will have huge disadvantage for you. All of those possibilities will not happen throughout you if you take The Last Rendezvous as your daily resource information.

Samuel Crader:

Reading can called mind hangout, why? Because if you are reading a book especially book entitled The Last Rendezvous your thoughts will drift away trough every dimension, wandering in every single aspect that maybe unidentified for but surely might be your mind friends. Imaging each and every word written in a publication then become one type conclusion and explanation that will maybe you never get prior to. The The Last Rendezvous giving you another experience more than blown away your head but also giving you useful data for your better life in this era. So now let us present to you the relaxing pattern at this point is your body and mind will likely be pleased when you are finished studying it, like winning a.
