## The Panza Monologues Virginia Grise, Irma Mayorga

*The Panza Monologues* is an original solo performance piece based on women's stories about their *panzas*—*tú sabes*—that roll of belly we *all* try to hide. Written, compiled, and collected by Virginia Grise and Irma Mayorga and fashioned into a tour-de-force solo performance, *The Panza Monologues* features the words of Chicanas speaking with humor and candor. Their stories boldly place the *panza* front and center as a symbol that reveals the lurking truths about women's thoughts, lives, loves, abuses, and living conditions.

This second edition of *The Panza Monologues* presents the performance script in its entirety, as well as a rich supporting cast of dramaturgical and pedagogical materials. These include a narrative history of the play's development by the playwrights; critical materials that enhance and expand upon the script's themes and ideas (a short introduction to San Antonio, where the play was developed; playwright autogeographies; and a manifesto on women of color making theater); and a selection of pedagogical and creative ideas, including guidelines and advice for staging a production of the play and for teaching it in the classroom, community-making activities (screenings, hosting "*Panza Parties*," community/group discussions), and creative writing activities connected to the play.
