Waiting for Rescue: A Novel Lucy Honig

Jarring yet slyly comic, *Waiting for Rescue* evokes a world turned upside down after the events of 9/11 as seen through the eyes of a wry and observant American woman who, though far from the path of the hijacked planes, is thrown into turmoil nevertheless. As a teacher in Boston working with health professionals from around the world, her sudden grief and sense of impending violence gradually pervade every facet of her life and change forever her understanding of the “good works” her colleagues and her students believe they do.

In Honig’s global landscape, the paths of vastly different people crisscross with the narrator’s: a Muslim family in America dealing with cancer, then ethnic profiling; an aging researcher hoping to make his mark in bio-terror’s next big thing; a feisty girl in Kenya whose parents have AIDS; a nerdy high school teacher who commits a terrible crime that returns to haunt, decades later.

Everywhere the author takes us — the classroom and the bedroom, in hallways of hospitals and the offices of ambitious researchers, in the slums of Nairobi and the streets of Boston, at office parties and bedside vigils — events intersect in a unique commentary on the imbalances of our times.

From reader reviews:

Robert Black:

Information is provisions for people to get better life, information presently can get by anyone on everywhere. The information can be a know-how or any news even a problem. What people must be consider when those information which is inside the former life are challenging be find than now could be taking seriously which one works to believe or which one the resource are convinced. If you receive the unstable resource then you obtain it as your main information it will have huge disadvantage for you. All those possibilities will not happen throughout you if you take Waiting for Rescue: A Novel as your daily resource information.

Dana Gallo:

The reason? Because this Waiting for Rescue: A Novel is an unordinary book that the inside of the book waiting for you to snap it but latter it will distress you with the secret it inside. Reading this book beside it was fantastic author who write the book in such incredible way makes the content inside easier to understand, entertaining way but still convey the meaning entirely. So , it is good for you for not hesitating having this any longer or you going to regret it. This unique book will give you a lot of advantages than the other book get such as help improving your talent and your critical thinking approach. So , still want to hesitate having that book? If I ended up you I will go to the publication store hurriedly.

Jason Harden:

Many people spending their period by playing outside having friends, fun activity using family or just watching TV the whole day.
