## **Designing Menus with Encore DVD (DV Expert Series)** John Skidgel

Designed to complement the Encore DVD software documentation, this full-color book begins with a brief description of the DVD specification, then introduces readers to DVD authoring concepts such as menu creation, timeline construction, navigation, transcoding, and disc mastering. Readers learn how to plan and manage projects, and how to master the workflows between Encore and other Adobe applications such as Photoshop, Premiere, and After Effects to create well-structured and engaging menus. The companion DVD contains documents for planning a DVD, tutorial projects, and a library of royalty free, customizable, templates.
