The last time Andreas Ferrante saw Sienna Baker, she was naively trying to seduce him. While her provocative sensuality is emblazoned on Andreas's memory, the terrible consequences torment him. So the news that they must marry to secure his inheritance is unthinkable....

Once devastated by his heartless rejection, seeing Andreas again makes Sienna's humiliation burn brighter. And as for marrying him? They'd be lucky to last the ceremony without killing each other!

But there's a fine line between love and hate.... Will these flames of anger turn to white-hot passion on their wedding night?
