## **Good Dog 101: Easy Lessons to Train Your Dog the Happy, Healthy Way** Cristine Dahl

Author and noted Seattle dog trainer Cristine Dahl has created this revolutionary step-by-step manual to teach dog owners how they can humanely and easily train their dogs to change problem behaviors. The book is organized by individual problem scenarios where very sort of bad behavior is addressed, whether it's if the dog compulsively digs all around your garden or if it likes to steal your shoes or if it jumps on every guest the minute they walk in the door. For each problem scenario, Dahl explains the reasons for such behavior, and then gives simply phrased instructions on how to resolve it and alter the dog's behavior for future scenarios. Her methods are humane (unlike Cesar Millan, she's approved by the SPCA) and simple, perfect for the hobbyist dog owner.
