## **The Perfect Tear** Connie Lansberg

Eleanor is a singer. Her songs keep nature in balance, but when they are stolen from her, a grey mist descends and her world fails to thrive. This timid orphan is thrust into a course of action she never asked for, nor envisioned. Set against a backdrop of abandonment, loss and betrayal, she must find her way through strange and dangerous landscapes in her desperate search for the Perfect Tear, a dark crystal which holds the future of her world. But, Eleanor is no savior. She is a simple girl with strong instincts and she must learn to trust them. Just like the notes of song must connect to create a melody, Eleanor must discover the connections needed to create the harmony required to truly save her world.
