The Unquiet Carolyn McCurdie

A gripping fantasy adventure novel for young readers. Over the galaxy, a strange, deafening tide is flooding. The planet Pluto disappears. Creeping in from between star systems is The Unquiet. It stinks like a million burning tyres, and it jabbars and screams as if the sky is in agony. Soon it attacks the earth: swallowing entire countries. A second, smaller power seeks out Tansy, a young girl in a town at the bottom of the world. She has a gift. The earth urgently needs that gift, and it also needs the knowledge that a boy called Anaru holds. Together Tansy and Anaru - with guides from another realm - travel far into the heart of the earth. What will they discover there? How can they help to stem the world's great unrest? Calling on great myths of the world, *The Unquiet* is a spellbinding story that cradles a deep peace at its core. "There's only one planet that weaves into its spinning the wild thread of imagination. It touches everything we know."
