Common Sense Thomas Paine

PERHAPS the sentiments contained in the following pages, are not YET sufficiently fashionable to procure them general favor; a long habit of not thinking a thing WRONG, gives it a superficial appearance of being RIGHT, and raises at first a formidable outcry in defence of custom. But the tumult soon subsides. Time makes more converts than reason.

As a long and violent abuse of power, is generally the Means of calling the right of it in question (and in Matters too which might never have been thought of, had not the Sufferers been aggravated into the inquiry) and as the King of England hath undertaken in his OWN RIGHT, to support the Parliament in what he calls THEIRS, and as the good people of this country are grievously oppressed by the combination, they have an undoubted privilege to inquire into the pretensions of both, and equally to reject the usurpations of either. In the following sheets, the author hath studiously avoided every thing which is personal among ourselves. Compliments as well as censure to individuals make no part thereof. The wise, and the worthy, need not the triumph of a pamphlet; and those whose sentiments are injudicious, or unfriendly, will cease of themselves unless too much pains are bestowed upon their conversion...

From reader reviews:

Peter Clark:

As people who live in typically the modest era should be upgrade about what going on or information even knowledge to make all of them keep up with the era and that is always change and advance. Some of you maybe may update themselves by studying books. It is a good choice to suit your needs but the problems coming to an individual is you don't know what one you should start with. This Common Sense is our recommendation so you keep up with the world. Why, since this book serves what you want and wish in this era.

John Jacquez:

In this time globalization it is important to someone to acquire information. The information will make professionals understand the condition of the world. The condition of the world makes the information easier to share. You can find a lot of sources to get information example: internet, paper, book, and soon. You can see that now, a lot of publisher in which print many kinds of book. Typically the book that recommended to your account is Common Sense this publication consist a lot of the information with the condition of this world now. This specific book was represented how can the world has grown up. The dialect styles that writer require to explain it is easy to understand. The writer made some study when he makes this book. That is why this book appropriate all of you.

Margaret Soto:

Do you like reading a e-book? Confuse to looking for your best book? Or your book was rare? Why so many problem for the book? But any people feel that they enjoy for reading. Some people likes reading, not only science book but in addition novel and Common Sense or maybe others sources were given information for you. After you know how the good a book, you feel need to read more and more. Science reserve was created for teacher or maybe students especially. Those textbooks are helping them to bring their knowledge. In different case, beside science book, any other book likes Common Sense to make your spare time a lot more colorful. Many types of book like this.

Roy Taylor:

As a pupil exactly feel bored to reading. If their teacher inquired them to go to the library or to make summary for some e-book, they are complained. Just small students that has reading's heart or real their pastime. They just do what the professor want, like asked to the library. They go to there but nothing reading very seriously. Any students feel that examining is not important, boring along with can't see colorful pictures on there. Yeah, it is to become complicated. Book is very important in your case. As we know that on this period of time, many ways to get whatever you want. Likewise word says, ways to reach Chinese's country. So , this Common Sense can make you really feel more interested to read.
