## Gender, Sex, and Politics: In the Streets and Between the Sheets in the 21st Century

*Gender, Sex, and Politics: In the Streets and Between the Sheets in the 21st Century* includes twenty-seven chapters organized into five sections: Gender, Sexuality and Social Control; Pornography; Sex and Social Media; Dating, Desire, and the Politics of Hooking Up; and Issues in Sexual Pleasure and Safety. This anthology presents these topics using a point-counterpoint-different point framework. Its arguments and perspectives do not pit writers against each other in a binary pro/con debate format. Instead, a variety of views are juxtaposed to encourage critical thinking and robust conversation. This framework enables readers to assess the strengths and shortcomings of conflicting ideas. The chapters are organized in a way that will challenge cherished beliefs and hone both academic and personal insight. *Gender, Sex, and Politics* is ideal for sparking debates in intro to women's and gender studies, sexuality, and gender courses.
