**Magic and alternate history mixed with a large serving of boys' own adventure and a pinch of the fun and wittiness of Sherlock Holmes . . .**

Aubrey Fitzwilliam is the son of a prominent ex-prime minister. He's also brilliant at magic, but he's stuck at military school. At least he has his best friend, George, there to back him up. At a royal hunting party, the boys discover a golem, a magical creature built to perform one task: to kill Prince Albert. Aubrey and George are hailed as heroes for foiling the murder attempt - but who sent the golem, and why? Aubrey is far too curious to let the authorities handle this one, and he and George start investigating . . .
