Por qué crecen los países (Spanish Edition)

José Ignacio García Hamilton

Por qué crecen los países (Spanish Edition) José Ignacio García Hamilton

Por qué crecen los países pretende responder a una pregunta que en todo el mundo se formula cotidianamente en los ámbitos académicos y de la gente común: por qué algunas naciones "funcionan" y otras no.

Describiendo con agilidad la evolución histórica mediante la cual algunos pueblos han podido elaborar sociedades democráticas y prósperas, José Ignacio García Hamilton nos ilustra sobre libertad y despotismo, ley e instituciones, propiedad privada y socialismo, y desarrolla ideas que son complementarias de las tratadas en El autoritarismo

hispanoamericano y la improductividad, el libro que lo consagrara como un autor argentino muy leído y respetado en el mundo hispanohablante y le valiera invitaciones de las Universidades de Cambridge (Inglaterra), Harvard, Georgetown, Wisconsin y varias otras de Estados Unidos.

Con observaciones válidas para todas las repúblicas de la América Española, con agudas comparaciones entre el mundo anglosajón, latino, alemán y ruso, con elevado nivel académico pero lenguaje llano, Por qué crecen los países presenta a un García Hamilton tan lúcido, polémico y contundente como en cada una de sus obras.
