Tech Research Phrase Book Susan Louise Peterson

The *Tech Research Phrase Book* helps focus many of the technology elements toward writing research focused essays, proposals and reports. A simple technology phrase can be easily transformed and developed into longer sentences and paragraphs to describe a research based concept. In this book, technology phrases can be used to develop a focus or objectives for a research study or grant. As well, the technology phrases can be helpful in developing the investigation, assessment and evaluation components of a paper or proposal. These technology phrases can be used to describe results and establish recommendations for a project. Technological change phrases are included in the book as an ongoing feature of the changing nature of technology and how it impacts research and writing projects. The *Tech Research Phrase Book* definitely provides a beginning place to develop technology phrases into effective research report writing.
