Bernard Lewis, Buntzie Ellis Churchill

Notes on a Century: Reflections of a Middle East Historian Bernard Lewis, Buntzie Ellis Churchill

The #1 *New York Times* bestselling author of *What Went Wrong?* tells the story of his extraordinary life

After September 11, Americans who had never given much thought to the Middle East turned to Bernard Lewis for an explanation, catapulting *What Went Wrong?* and later *Crisis of Islam* to become number one bestsellers. He was the first to warn of a coming "clash of civilizations," a term he coined in 1957, and has led an amazing life, as much a political actor as a scholar of the Middle East. In this witty memoir he reflects on the events that have transformed the region since World War II, up through the Arab Spring.

A pathbreaking scholar with command of a dozen languages, Lewis has advised American presidents and dined with politicians from the shah of Iran to the pope. Over the years, he had tea at Buckingham Palace, befriended Golda Meir, and briefed politicians from Ted Kennedy to Dick Cheney. No stranger to controversy, he pulls no punches in his blunt criticism of those who see him as the intellectual progenitor of the Iraq war. Like America's other great historian-statesmen Arthur Schlesinger and Henry Kissinger, he is a figure of towering intellect and a world-class raconteur, which makes *Notes on a Century* essential reading for anyone who cares about the fate of the Middle East.
