Second Sight

Meg Henderson

Second Sight Meg Henderson

The moving story of a woman sending her pilot son away to fight in the Second World War - from one of Scotland's bestselling, best-loved storytellers Nancy MacLeod's great-great-grandfather brought his family to Cape Breton, Nova Scotia from Raasay, a tiny Scottish island, in the 1840s, in hope of a better life. They prospered in this new world, despite the harsh and unforgiving winters, but clung on to their old traditions and customs for comfort. Born at the beginning of a new century, Nancy has no patience with the old ways. She declares herself a Canadian and ignores the signs that she has inherited the family's Second Sight. But when her brothers leave home to serve in the First World War, she experiences strange things that she neither understands nor wants to, so when she marries she moves far away from superstitious Cape Breton. Then the Second World War breaks and her eldest son, Calli, goes to England to pursue his dream of being a bomber Command pilot. Calli's plane is shot down and his body never found. Nancy is unable to accept his death. She can still sense a feeling of life attached to him, a branch of the family tree that grows unstopably while all hope seems lost. And Annie, a girl growing up in Glasgow, has always seen a man in the corner, a young pilot she doesn't know but somehow feels a strange connection with...

From reader reviews:

Debbie Luken:

With other case, little persons like to read book Second Sight. You can choose the best book if you want reading a book. Providing we know about how is important a book Second Sight. You can add expertise and of course you can around the world by a book. Absolutely right, since from book you can learn everything! From your country until eventually foreign or abroad you can be known. About simple factor until wonderful thing it is possible to know that. In this era, you can open a book or even searching by internet unit. It is called e-book. You can use it when you feel bored stiff to go to the library. Let's go through.

Donald Hamann:

The book Second Sight can give more knowledge and also the precise product information about everything you want. So just why must we leave a very important thing like a book Second Sight? A few of you have a different opinion about guide. But one aim that book can give many details for us. It is absolutely suitable. Right now, try to closer with the book. Knowledge or data that you take for that, it is possible to give for each other; you could share all of these. Book Second Sight has simple shape but you know: it has great and large function for you. You can search the enormous world by open and read a e-book. So it is very wonderful.

Clarence Kissel:

In this age globalization it is important to someone to receive information. The information will make anyone to understand the condition of the world. The health of the world makes the information much easier to share. You can find a lot of recommendations to get information example: internet, newspapers, book, and soon. You can view that now, a lot of publisher that will print many kinds of book. The book that recommended for your requirements is Second Sight this publication consist a lot of the information on the condition of this world now. That book was represented how can the world has grown up. The terminology styles that writer use for explain it is easy to understand. Often the writer made some analysis when he makes this book. This is why this book ideal all of you.

Adriana Cornell:

That publication can make you to feel relax. That book Second Sight was vibrant and of course has pictures on the website. As we know that book Second Sight has many kinds or style. Start from kids until teenagers. For example Naruto or Detective Conan you can read and think you are the character on there. Therefore not at all of book are make you bored, any it can make you feel happy, fun and unwind. Try to choose the best book for you personally and try to like reading that will.
