Texas Log Buildings: A Folk Architecture

Terry G. Jordan

Texas Log Buildings: A Folk Architecture Terry G. Jordan

Once too numerous to attract attention, the log buildings of Texas now stand out for their rustic beauty. This book preserves a record of the log houses, stores, inns, churches, schools, jails, and barns that have already become all too few in the Texas countryside. Terry Jordan explores the use of log buildings among several different Texas cultural groups and traces their construction techniques from their European and eastern American origins.
