**Ombres en el temps (Catalan Edition)** Jordi Sierra i Fabra

**L'èpica història d'una família que va emigrar a Barcelona a buscant un somni.** Carmen i els seus fills arriben a la Barcelona de 1949 per reunir-se amb Antonio, el pare de la família, que els espera després d'haver estat treballant a la ciutat durant uns anys. Animats per la promesa d'una vida millor lluny de les penúries del camp de Murcia, la seva terra natal, topen amb la duresa d'un món desconegut per ells on les ferides entre vencedors i vençuts encara són massa obertes. El desig d'Úrsula per triomfar als escenaris com a cantant, les dificultats de Funsanta per incorporar-se al món laboral, els enrenous amorosos de Ginés, la lluita de Salvador contra la intolerància i l'esclètxa que comença a obrir-se entre Carmen i Antonio pels secrets en el seu matrimoni, marcaran els seus destins en un país que camina amb esforç buscant un futur. Amb les cartilles de racionament, la repressió ideològica, l'amenaça de les presons franquistes o la tenaç revel·lia dels maquis coma teló de fons, *Ombres en el temps* és una història ambientada minuciosament que atraparà al lector pels seus personatges emotivament dibuixats, les trames apassionants i la sensacional recreació dels anys més emblemàtics i turbulents de la postguerra, un temps on la subsistència del dia a dia era l'únic recurs en front de l'adversitat. **Una desgarradora novel·la plena d'amor, coratge i esperança**
