"Un libro que te tiene enganchada no solo por la historia en sí, si no porque te lleva directamente a las islas Honolulu, haciendo un viaje virtual en tu mente. La verdad que os recomiendo leer el libro, con una historia de amor, que hará que nos queramos nosotros también rendir a ese amor. Solo animaros a leerla no os vais arrepentir."

Blog Anescris

"Es una preciosa, sensual y pasional historia de amor. En esta novela los diálogos son más coloquiales y fluidos, además de que te das cuenta que con ellos puedes conocer la ironía y picardía que esconden ellos. Además de esos diálogos le añade esos giros de 180° en el argumento que te dejan con la incógnita de lo que va a suceder a continuación."

Adicta a la Lectura

"La trama es estupenda, con unos cuantos giros que mantienen enganchado al lector. El ritmo es trepidante, con un buen estilo narrativo."
