Sibs F. Paul Wilson

Kara Wald thought she knew her sister Kelly. She was practical, down-to-earth, and just a little bit dull. But then Kelly died after jumping--or being pushed--out of a twelfth-floor window of Manhattan's Plaza Hotel--wearing only a black garter belt and black stockings. And after having sex with two men.

How could this have happened? Kara uncovers a bizarre and twisted world of sadistic sex and decadent violence--and something worse. Something strange and evil in her sister's past that she *must* conquer. Because as Kara herself slips into the kinky and dangerous world that killed Kelly, she realizes that it's coming after her.
