## **Arnhem - Landing Grounds and Oosterbeek (Battleground Europe - Market Garden) Frank Steer**

This is the latest in the well-respected *Battleground* series of books, and covers a number of aspects of the battle of Arnhem. It concentrates on the landings and the desperate and legendary battle fought by the remnants of 1st Airborne Division in the town of Oosterbeek. The book relies on both historical knowledge and anecdotes from veterans to bring to life the events of those fateful days of late September 1944.

Having set the strategic scene in the opening chapter, the guide suggests four separate tours around the area, one on foot and the others requiring a car. They can all be completed in a full day, but are structured in such a way that visitors can make their own choice of how and where to visit. For a clear, concise and accurate account of the Arnhem-Oosterbeek battlefield this excellent addition to our *Battleground* series is unlikely to be beaten.
