PARENTS: DO NOT TRY THIS AT HOME

**Greg Fitzsimmons has made a lot of what appear to be bad decisions.** It's what he was raised to do. Most parents would hide or destroy any evidence so clearly demonstrating their child's failures, but—lucky for us—Greg Fitzsimmons's family has preserved each mistake in its original envelope like a trophy in a case, lest he ever forget where he came from.

*Dear Mrs. Fitzsimmons* is Greg's life, told through this cavalcade of disciplinary letters, incident reports, and newspaper clippings that his parents received from teachers and school officials. Greg picks up where his parents left off with his own collection of letters received during college and throughout his successful career as a writer, producer, and stand-up comic. Revealing the larger story of how Greg's distinctly dysfunctional Irish-American family bred him to blindly challenge anyone, anytime, anywhere, over anything, *Dear Mrs. Fitzsimmons* comes full circle to show that the Fitzsimmons torch has been passed on proudly to a new generation.
