This book is part of the LWW India publishing program. This program is developed for the Indian market working with Indian authors who are the foremost experts in their respective fields. Our Indian authors do research and teach at the most respected Indian medical schools and academic hospitals.

A simple, well-illustrated and comprehensive text on anatomy that meets the requirements of dentistry students. The book uses the regional approach to explain Gross Anatomy and emphasizes Head Neck Anatomy as required by dentistry students. It also includes a succinct description of General Anatomy, Histology and Embryology as well as Medical Genetics and Neuroanatomy. It highlights relevant clinical applications and includes a sufficient number of color illustrations along with discussion summaries and review questions to supplement the text.
