Higher Education and International Student Mobility in the Global Knowledge Economy: Revised and Updated Second Edition Kemal Guruz

Second, updated edition of a landmark study of how the international mobility of students, scholars, programs and institutions of higher education has evolved over time, and the ways in which it is occurring in today's global knowledge economy.

Praise for the First Edition:

“Higher education has exploded globally, and Gürüz’s excellent, timely study is as useful a guidebook as one will find to this new (even revolutionary) world. . . [A] major contribution and starting point for an important conversation.” Choice

“Gürüz’s book is a powerful and remarkably comprehensive work dealing with a wide array of interconnected topics and complex data relating to globalization and international student mobility. . . . Higher Education and International Student Mobility in the Global Knowledge Economy is a wonderful read on many levels and clearly represents decades of careful data analysis and synthesis.” International Review of Education

Students and scholars leaving their homes in search of education and knowledge is not a new phenomenon. An indispensable resource for understanding the international mobility of students, this book reveals how the global mobility of such students, scholars, programs, and institutions of higher education have evolved over time. Kemal Gürüz explores the contributions that the international mobility of students has made to civilization, scientific, and technological progress, and the ways in which it is occurring in today’s global economy.

The second edition of this widely praise study is completely revised and updated, tracing international mobility in higher education through the first decade of the twenty-first century.

Kemal Gürüz is Former President of the Council of Higher Education of the Republic of Turkey and retired Professor of Chemical Engineering at the Middle East Technical University. In 2006, he was the first recipient of the Chancellor John W. Ryan Fellowship in International Education at the State University of New York.
