How to Master the BMAT will help you to maximize your BMAT test score in the shortest time possible with the least possible effort. With over 400 practice questions including six mock tests, it focuses on core knowledge in six key areas:

- aptitude and skills
- maths
- physics
- chemistry
- biology
- writing tasks

At the end of each section, a set of review questions enable you to identify and improve your weak areas before you sit the test, then once you are ready you can complete the practice papers that reflect the BMAT test. Candidates are supported throughout the book, and, where possible, every question comes complete with its revision topics indicated in brackets, useful hints and expanded answers.
