Jack London: A Life

Alex Kershaw

Jack London: A Life Alex Kershaw

A full-blooded, pacy biography of one of the most charismatic writers of the century, whose life and work were to inspire Hemingway, Steinbeck, Kerouac and Mailer. 'We cannot help but read on': TLS. 'The energy, dynamism and sheer bursting life-force of Jack London bowls you over': Scotsman.

- Jack London's life story (1876–1916) is as dramatic as any of the fiction he wrote. Born illegitimate in San Francisco, he was (in his teens) an oyster pirate, seal-hunter, hobo, Klondike goldminer – and spectacular drinker.
- On publication of *The Call of the Wild* in 1903, he became the most highly publicised writer in the world. Subsequent books, including *Martin Eden*, *White Fang*, *The Iron Heel*, *The People of the Abyss*, *John Barleycorn*, *The Sea Wolf*, continue in print as world classics in many languages.
- Apart from writing 50 books, he lectured for the Socialist Party in America; was a war correspondent in Korea and Mexico; introduced surfing to the West Coast; sailed the seven seas in his yacht, the *Snark*.
