L'artiglio del Drago (Italian Edition) Andrea Perrone

L'evento geopolitico più importante degli ultimi anni è senz'altro l'ascesa inarrestabile della Cina. A partire dal 1979, con le liberalizzazioni introdotte da Deng Xiaoping, la Repubblica popolare è cresciuta ad una velocità senza paragoni, divenendo così, complice il fatto di possedere una popolazione da 1,4 miliardi di abitanti ed essere la seconda economia al mondo in termini assoluti. Oggi Pechino è divenuta anche la seconda Potenza al Mondo, subito dietro gli Stati Uniti, per quel che concerne le spese militari, pari a 1,6mila miliardi di dollari, l'1,3 per cento in più rispetto al 2009. Tutti questi elementi non possono che provocare serie ripercussioni sugli scenari internazionali. Tuttavia, occorre sottolineare che la crescita cinese, è finora avvenuta in un clima pacifico favorendo l'espansione economica. Ma proprio ora si comincia a delineare una strategia di ampliamento della sfera d'influenza della RPC che finirà, molto probabilmente, col creare tensioni con gli altri attori internazionali. Attualmente la Repubblica popolare è impegnata in un'opera di ristrutturazione e ammodernamento industriale e militare e ha costruito una propria rete di potere strategico, assicurandosi il controllo o la semplice presenza in numerose aree strategiche asiatiche e non solo per soddisfare le esigenze di un'economia notevolmente energivora. La strategia cinese di vincere senza combattere, conquistando i mercati internazionali e rivendicando il controllo del Mar Cinese meridionale non è però gradita a Washington che per questo è intenta in una manovra di accerchiamento, attraverso molteplici alleanze militari con i Paesi dell'Asia orientale e meridionale. Da qui ai prossimi 20 anni però il divario tecnologico tra la Cina e la Superpotenza americana potrebbe essere colmato, mettendo a rischio la pace e il dominio unipolare degli USA.

From reader reviews:

Tara Carlson:

The book L'artiglio del Drago (Italian Edition) can give more knowledge and information about everything you want. Why then must we leave the best thing like a book L'artiglio del Drago (Italian Edition)? Some of you have a different opinion about reserve. But one aim in which book can give many info for us. It is absolutely proper. Right now, try to closer with the book. Knowledge or information that you take for that, it is possible to give for each other; it is possible to share all of these. Book L'artiglio del Drago (Italian Edition) has simple shape however you know: it has great and large function for you. You can look the enormous world by available and read a reserve. So it is very wonderful.

Nancy Deanda:

Are you kind of occupied person, only have 10 or even 15 minute in your day time to upgrading your mind skill or thinking skill possibly analytical thinking? Then you have problem with the book in comparison with can satisfy your small amount of time to read it because pretty much everything time you only find book that need more time to be study. L'artiglio del Drago (Italian Edition) can be your answer given it can be read by an individual who have those short time problems.

John Casper:

In this age globalization it is important to someone to find information. The information will make anyone to understand the condition of the world. The health of the world makes the information simpler to share. You can find a lot of referrals to get information example: internet, classifieds, book, and soon. You will see that now, a lot of publisher in which print many kinds of book. Typically the book that recommended to you is L'artiglio del Drago (Italian Edition) this reserve consist a lot of the information of the condition of this world now. This book was represented just how can the world has grown up. The terminology styles that writer make usage of to explain it is easy to understand. The writer made some exploration when he makes this book. That is why this book acceptable all of you.

Robert Beaubien:

This L'artiglio del Drago (Italian Edition) is new way for you who has fascination to look for some information as it relief your hunger of information. Getting deeper you into it getting knowledge more you know or else you who still having small amount of digest in reading this L'artiglio del Drago (Italian Edition) can be the light food for yourself because the information inside this specific book is easy to get by anyone. These books create itself in the form which can be reachable by anyone, that's why I mean in the e-book form. People who think that in publication form make them feel drowsy even dizzy this publication is the answer. So there is not any in reading a publication especially this one. You can find actually looking for. It should be here for an individual. So , don't miss this! Just read this e-book type for your better life along with knowledge.
