The moment that Luke swung the flogger, time seemed to stand still. Brianna heard the tell-tale sound of the wind as the leather strips cut through the air, and her arms and legs pulled at her restraints futilely. Luke's first blow landed on her left shoulder blade, and her entire body convulsed as she let out a blood-curdling shriek.

Luke and Brianna's marriage is headed for the rocky shore as they enter the fourth book of their servitude to billionaire Mr. Rand. Their only purpose is to serve the billionaire and his beautiful assistant Desirae's **depraved desires**, but their relationship takes an unseen turn as Brianna's **first flogging** pushes them both over the edge.

All of their **holes** will be **taken and stretched** as their hearts are broken. Their servitude won't be ending just because they're filled with heartbreak, and their 'clients' have only one desire: to **torment their willing bodies and minds to the breaking point**.

If you're looking for soft romance, look elsewhere because this **dark and twisted** book of The Billionaire's Charity series is about the twilight of the couple's relationship. Maybe there will be a tomorrow for them if they're not consumed by the darkness.

This 7000 word story contains a 4200 word excerpt from my debut Dark BDSM Romance novel, *Torn*.
