## **Candy Kisses** Jean C. Gordon

Candy Price is tired. Tired of her three older brothers talking her into blind dates with their friends; tired of living in Albany, New York; and tired of her overbearing boss. She'd love to break away and quit her job as a media assistant for a gubernatorial candidate. But that would only validate her brothers' view that she's flighty.

As a diversion, she decides to help her landlord---witty, gorgeous Mike Wheeler---find a new woman. Mike has a diversion of his own in mind: convincing Candy that there's more to life than out-succeeding her brothers. And if something develops between them, well, he certainly won't fight it.

The result? A contest to find the perfect kiss. The rules? Points per kiss are paid in candy kisses. And winner takes all as Candy and Mike begin to fall for each other in this sweet game of love.
