**Educar para o sagrado: Uma resposta à crise da sociedade pós-moderna (Portuguese Edition)** Ezio Aceti

Um dos maiores desafios que o mundo enfrenta na atualidade é o da educação. Quando associada à religião as dificuldades são maiores ainda. Vivemos num milênio onde a sociedade age como se Deus tivesse dia, hora e local certo para falarmos com Ele. As pessoas estão deixando de se relacionar com Deus, assim tem perdido o sentido do sagrado. Neste livro, o autor quer nos mostrar que para mudarmos esse cenário as crianças são fundamentais. É a partir da infância que conseguiremos uma verdadeira "reconversão", no sentido de reorientação para Deus. Dividido em três capítulos, a obra promove a educação por meio da "cultura do sagrado", do mistério e do amor, tendo o educador como grande aliado nessa função.
