Emotions in Organizational Behavior

Emotions in Organizational Behavior

This edition was conceived and compiled to meet the need for a comprehensive book for practitioners, academics, and students on the research of emotions in organizational behavior. The book is the first of its kind to incorporate organizational behavior and bounded emotionality. The editors' primary aim is to communicate the research presented at the bi-annual International Conference on Emotions and Organizational Life to a wider audience. This edition looks at the range of research on emotions within an organizational behavior framework; organized in terms of the individual, interpersonal, and organizational levels. Particular emphasis has been placed on obtaining the leading research in the international sphere. This book is intended to be useful to the student of organizational behavior, as well as to the managers of organizations.
