Homero Aridjis

**Los perros del fin del mundo (Spanish Edition)** Homero Aridjis  
**De Homero Aridjis, el autor de *Ciudad de zombis*.**

***Los perros del fin del mundo* es un *thriller* mitológico y una narración que conjunta pasado y presente de un México brutal.**

Acompañado por **Pek**, un perro xolo con quien dialoga animadamente, **José Navaja** busca a su hermano, que quizá haya sido asesinado. La búsqueda lo lleva del Distrito Federal a Ciudad Juárez y al Inframundo de los mexicas, y en esos lugares conoce a toda una gama de personajes siniestros y espectrales: narcos, buchonas, policías sicópatas, secuestradoras perseguidas hasta la muerte, dioses del panteón azteca, sicarios rabiosos y niños huérfanos que esperan crecer para convertirse en depredadores.

Esta novela es una suerte de *thriller* mitológico, pero también es mucho más que eso: una lograda conjunción de pasado y presente, de representación del México brutal de hoy y del antiguo mundo sobrenatural de dioses, sacerdotes y sicarios donde se practican tanto ritos solares como sacrificios humanos; finalmente, es asimismo un homenaje a los ancestros previos al mestizaje, a su habla y su cosmovisión, que han atravesado varios siglos y resuenan en nuestro presente.

## Lo que ha dicho la crítica:

#*Los perros del fin del mundo* es una novela que expone el riesgo de la vida, el ojo omnipresente de la muerte y se burla de ellos. Demuestra la forma en la que el hombre es capaz de matar incluso con bromas, como la escritura de un obituario publicado antes de tiempo#. -*Más cultura* .
