#### **Danny Floyd:**

As a college student exactly feel bored to reading. If their teacher expected them to go to the library as well as to make summary for some guide, they are complained. Just very little students that has reading's soul or real their hobby. They just do what the professor want, like asked to the library. They go to generally there but nothing reading very seriously. Any students feel that looking at is not important, boring and can't see colorful photographs on there. Yeah, it is for being complicated. Book is very important for you personally. As we know that on this time, many ways to get whatever we really wish for. Likewise word says, ways to reach Chinese's country. Therefore , this Progress in Botany: Vol. 74 can make you feel more interested to read.
