## **Archeology of the Circle: New and Selected Poems** Bruce Weigl

With *Song of Napalm*, Bruce Weigl established himself as a poet of incomparable power and lyric fury, whose work stands as an elegy to the countless lives dramatically altered by war. *Archeology of the Circle* brings together the major work of one of America's greatest poets. Collected here for the first time from eight volumes of poetry and spanning two decades, *Archeology of the Circle* also includes Weigl's most recent poems, which take a dramatic turn toward a hard-bitten and sensuous lyric. Out of the horror of individual experience, Bruce Weigl has fashioned poetry that offers solace to disillusionment and bears transcendent resonance for all of us. *Archeology of the Circle* illustrates Bruce Weigl's remarkable creative achievements and signifies his own personal and spiritual salvation through his writing.
