Build Your Own Time Machine

Brian Clegg

Build Your Own Time Machine Brian Clegg

In *Build Your Own Time Machine*, acclaimed science writer Brian Clegg takes inspiration from his childhood favourites, *Doctor Who* and H.G. Wells, to explain the nature of time. He explores the amazing possibilities of quantum entanglement, superluminal speeds, neutron star cylinders and wormholes in space. How did the theories of one man change the way time is perceived? Why wouldn't H.G. Wells's time machine have worked? And what would we need to do to make a real one?
