Leadership in a Changing World Robert H. Klein

This book addresses the major problems of leadership in groups, organizations, and societies in the twenty-first century, when rapid change, complex dilemmas, and earth-shattering consequences affect the daily lives of people in the diverse contexts of social institutions, the corporate world, domestic politics, and international terrorism and conflict. The volume convenes a group of distinguished scholars, consultants, and leaders who address significant contemporary dilemmas that test the skills and knowledge of all concerned individuals. Benjamin Disraeli said, 'I am their leader; therefore I must follow them.' This book speaks directly to that intimate connection between leaders and followers.
