**This title is now out of print from the publisher.**

For five decades, J. David Eshleman's passion has been to bring unchurched people to healthy congregations. By encouraging and equipping believers and pastors to reach out to neighbors in the communities around their church buildings, Eshleman has helped numerous churches grow from a few dozen members to, in some cases, several hundred. This book challenges congregations to make disciples not just around the world but in their own backyards.
