Imogen Truman, is a seventeen year old dealing with the recent loss of her father. She embarks on a journey to foreign countries to discover that she is an Arc. Arcs are immortal. Hector Slorick is her mentor who trains her to be able to defend herself against the Paignons. Paignons are also immortal and feast on human and Arc brains. The Paignon king, Von Strickenstein, discovers that he can strip Imogen of her unique abilities if he kills her, but not without a fight. Rupert De Guais, is a young handsome aristocrat that Imogen falls in love with. Imogen is put to the test when she is faced with saving Rupert from death. She is different from other Arcs and soon realises that she is in fact an angel, responsible for protecting Earth. A young adult fiction story with action, romance and seduction with some kick ass jiu-jitsu entwined into a compelling fantasy story about immortals.
