## **The Wisdom Literature: Interpreting Biblical Texts Series** Richard J. Clifford

In this volume, Richard J. Clifford seeks to make the biblical wisdom literature intelligible to modern readers. It is easy to quote the occasional proverb, say a few things about "the problem of evil" in Job, or quote "vanity of vanities, " but far more rewarding to read the whole book with an appreciative and informed eye.

Opening chapters of *The Wisdom Literature* comment on the striking similarities between ancient and modern "wisdom literature" and on the comparable literature from ancient Mesopotamia, Egypt, and Canaan. Thereafter, a chapter is devoted to each biblical wisdom book (Proverbs, Job, Ecclesiastes, Song of Songs, Sirach, and Wisdom of Solomon), studying not only its content but also its rhetoric -- how it engages the reader.
